Introduction

Are you ready for Day Camp? This year we have decided to put the outing in Scouting! We will be outside in beautiful Lazy Land in the midst of Palmer Park. The kids will have fun playing games, learning team sports relays, and enjoying beautiful Mother Nature on one of our many hikes. We will also be making crafts, playing some music, learning skits, and songs.

This year’s theme is Passport to Adventure! It will be a 3 day program starting on Wednesday, June 20th and ending Friday, June 22nd. On Friday afternoon we invite the whole family out to share with your child all in the fun they have experienced throughout the week!

Volunteers Needed!

In order for the Pikes Peak Council to make this a successful program for your scout, we are in need of volunteers to help run program areas and lead groups of scouts from area to area. Volunteers who help for all 3 days will be allowed to have their scout or another scout they designate to go for free. Volunteers who help for 1 day will receive $20 off their scouts registration and volunteers who help for 2 days will receive $40 off their scouts registration. Pikes Peak Council does have a selection process for volunteers. If you or someone else you know is interested, go to the link below to fill out the volunteer questionnaire. The link can also be found on the event registration page.
